### **Disadvantaged Community (DAC)**

Disadvantaged Community Project:

A disadvantaged community project is one which assistance is necessary to correct an imminent threat to public health as a result of a noncompliance issue with the SDWA resulting in an Administrative Order. This determination will be made by the Louisiana LDH utilizing one of the following requirements:

- The public water system is located in a state where the median household income is below the national median household income of the United States according to the U.S. Census Bureau.
- Assistance is necessary to resolve noncompliance issues with the SDWA that have resulted in being placed on the EET list or has received an Administrative Order being issued against the water system.
- The public water system serves a community with a population under 10,000.
