

STATE OF NEW HAMPSHIRE
DEPARTMENT OF ENVIRONMENTAL SERVICES

Clean Water State Revolving Fund
Loan Program
ADDENDUM 1
to
2018 Capitalization Grant
Intended Use Plan

The State of New Hampshire conducted a second solicitation for pre-applications for the development of asset management programs for wastewater and stormwater systems to ensure that all potential Clean Water State Revolving Fund (CWSRF) loan recipients had an opportunity to participate.

The second solicitation for Asset Management Programs was sent on October 29, 2018 to all potential loan recipients and NH Pre-Qualified Engineers.

A total of five (5) pre-applications were received by the deadline of December 3, 2018. The total value of the pre-applications received was \$259,000, summarized in the Addendum to the 2018 Clean Water State Revolving Fund Project Priority list, below.

All projects will be eligible to receive additional financial assistance in the form of principal forgiveness (up to \$30,000 for each program) if the project results in the development and implementation of an asset management program that meets the State’s guidelines for asset management programs.

2018 CLEAN WATER SRF PRIORITY LIST ASSET MANAGEMENT PROJECTS - Second Solicitation December 2018						
No.	APPLICANT	PROJECT NAME	Project Type	TOTAL COST	CUMULATIVE AMOUNT	Principal Forgiveness
16	Dover	Wastewater Asset Management Plan	WW	\$90,000	\$689,732	\$90,000
17	Lancaster	WW & SW Collection System Asset Management Plan	WW & SW	\$60,000	\$749,732	\$60,000
18	Littleton	Wastewater Asset Management Plan Phase 2	WW	\$49,000	\$798,732	\$30,000
19	New London	Stormwater Asset Management Plan	SW	\$30,000	\$828,732	\$30,000
20	Whitefield	Wastewater Asset Management Plan	WW	\$30,000	\$858,732	\$30,000

NOTES:

1. Principal Forgiveness for Asset Management may be adjusted based on information provided during the loan application process. Actual amounts may differ from those listed.
