Appendix A: CATEGORY DEFINITIONS					
CATEGORY	NUMBER	DEFINITION			
Secondary Treatment	1	Replacement/modifications/additions based on an approved Wastewater Facilities Plan (WWFP) to achieve/maintain secondary treatment			
Advanced Treatment	2	Replacement/modifications/additions based on an approved WWFP to achieve/maintain advanced treatment			
I/I Correction	3A	Corrective actions in sewer systems identified in an approved I/I Analysis or Sewer System Evaluation Survey			
Sewer System Repair	3В	Rehabilitation is extensive repair of existing sewers/pump stations beyond scope of normal maintenance programs. Replacement is construction of parallel sewers/sewers with exact function of sewers to be abandoned. Replacement of pump stations is construction of a new pumping station with the same functions/flow capacity of the old facility. All must be in WWFP			
Collectors (Future)	4A	Sewers that will convey flows from future homes, businesses and industries identified in a CCP and approved in a WWFP			
Interceptor (Future)	4B	Sewers that will convey flows from one of more Category 4A areas to another interceptor or WWTF			
Collectors (Present)	4C	Sewers to convey flows from present homes, businesses, and industries identified in a CCP and approved in a WWFP			
Interceptor (Present)	4D	Sewers to convey flows from one of more Category 4C areas to another interceptor WWFP			
CSO	5	Combined Sewer treatment/storage/separation per an approved WWFP			
Planning	6	Detailed plan determining the need for and feasibility of water pollution abatement project(s)			
Design	7	Plans, Specifications, and bidding documents			
Non-Point	8	Implementation project per Non-Point Source Plan (SGP # 731)			
Estuarine	9	Implementation project per Comprehensive Conservation and Management Plan (SGP # 715)			
Onsite Wastewater Treatment Facility (OWTS)	10	Alternative systems, subsurface (OWTS), and Wastewater Management Districts (WWMD) per RIGL 45-24.5			
Stormwater	11	Planning & Implementation of municipal stormwater management programs and controls			
Other	12	Other water pollution abatement or water quality improvement projects including climate resiliency
