NOTES

If water rate was not included in pre-app or is unknown, the NH average water rate of \$872.18 is used.

If Median Household Income (MHI) was not included in pre-app or is unknown, the town or Census Designated Place (CDP) MHI from U.S. Census Bureau, 2018-2022 American Community Survey

NH Statewide Average MHI - \$90,845

In case of a tie, systems with larger population will be funded first.
